NEEM TREE COURT

WOK-CRAFTED. INDIA-INSPIRED.

Established in 1995 as the founding heartbeat of On The Rocks, Neem Tree Court holds a special place in the history of Jodhpur. What began as a singular vision has blossomed into a premier destination of seven unique culinary experiences, yet the spirit of our original courtyard remains unchanged.

Beneath the shade of our namesake trees, we invite you to an alfresco journey where the culinary heritage of India meets the tantalizing flavours of China.

For over three decades, we have had the honour of welcoming the world to our table. As we continue to evolve, our commitment remains the same: to provide a destination where bold flavours, vibrant conversations, and warm hospitality meet.

Welcome back to where it all began!
